

Community Solutions assists eligible customers to find and maintain rewarding employment, through access to tailored employment services, training and skill development.

We also help employers to recruit and retain employees with a disability, injury or health condition and support them in accessing a range of financial supports and incentives.

#team possible

Community Solutions is a service partner of CoAct, a national network of community service providers working together to create social and economic opportunities for Australia's disadvantaged.

A CoAct Accredited Employment Service Partner

Eligibility criteria

To be eligible for the DES service, you must:

- be an Australian resident or on a Temporary Protection Visa
- have a disability, injury or health condition
- be aged between 14 and 65 years
