Community Careers. Skilling Queenslanders for Work

Ready to skill up for success in a thriving industry?

Certificate II Resources and Infrastructure Work Preparation

This training is for those seeking a rewarding career in Resource, Infrastructure, and Construction. The RII20120 Certificate II in Resources and Infrastructure Work Preparation teaches routine tasks, limited practical skills, and responsibility for work quality.

Gain transferable skills for these industries, including White Card (CPCWHS1001) and First Aid (HLTAID011).

Get accredited training, resume help, interview techniques, communication skills, and the required qualifications – all the support you need to get the job!

Employment opportunities:

- Entry level mining positions
- Support on local Wind Farms
- Building & Construction Labourer
- Civil Construction Worker
- General labouring positions
- Open Cut Miner (Metalliferous Mining)
- Open Cut Coal Miner

This course will provide:

- First Aid Certificate
- Face-to-face tuition
- Information sessions from industry experts
- Expert trainers
- Assistance with securing paid work
